Subject: 2004 On-site ISR After Action Review (AAR) Cancelled

Forward to all ISR POCs-

The on-site ISR After Action Review (AAR) that was scheduled for 12-16 July 2004 in McLean, Virginia has been officially cancelled due to IMA NETCALL 27. NETCALL 27 sited that IMA must reduce expenditures immediately and therefore can not support the AAR. We are currently developing a plan to accomplish the AAR via Video Tele-Conference (VTC). Detailed information will be forwarded as soon as it is available. We appreciate your dedication and support of the ISR program and will ensure that your AAR issues get addressed. Thank you. Linda
